Proposed Tracks

9:00 - 9:30 AM : Registration

9:30 - 10:00 AM : Inaugural Session

10:00 - 10:30 AM : Tea-break

10:30 - 12:00 PM : Session I - Navigating the Multifaceted Roles of Legal Educators: Insights from the Leaders

The panel will shed light on the multifaceted roles and responsibilities that legal educators navigate. The session will delve deep into the reservoir of experience and wisdom that our panellists bring to the table. Their seasoned insights as professionals with extensive experience can assist in addressing key questions that teachers encounter. These include task prioritization, the delicate balance between research and teaching, cultivation of professional development, effective management of classroom instruction alongside administrative duties, and a comprehensive understanding of ethical responsibilities. Throughout this discussion, we will explore the most successful practices, the challenges encountered, and the innovative solutions crafted by legal educators in navigating their multifaceted roles. Whether you're a seasoned educator or new to the world of legal teaching, there's something for everyone to take away.

12:00 - 12:15 PM : Tea-break

12:15 - 1:45 PM : Session II - Preparing Students for a Global Professional Landscape: Industry Insights for Educators

In this panel discussion, speakers from law firms and General Counsel will share practical insights to help educators better prepare their students. The panel aims to facilitate the development of essential competencies by exploring how industry-academia collaboration can enhance education and student readiness for the professional world. This session will provide a unique perspective, bridging the gap between academia and industry. Panellists will guide educators in shaping a curriculum that not only imparts legal knowledge but also prepares students for the challenges of the practical legal world, equipping them with a clear understanding of the professional world's demands.

1:45 - 2:45 PM : Lunch

2:45 - 4:15 PM : Session III - Use of AI in Legal Education

This panel discussion will focus on the use of AI in revolutionizing legal education by improving research, case analysis, and personalized learning. The discussions will elaborate on how AI enhances research efficiency, offers interactive learning through simulations, personalizes education to meet individual needs, and streamlines administrative tasks. It will also emphasize on how familiarity with AI tools prepares students for modern legal practice.

4:30 - 5:00 PM : Valedictory Session

5:00 PM : High Tea
